

## 2009 CBA New Year's Gala

The Chinese Biopharmaceutical Association – USA (CBA) New Year's Gala is one of the most prestigious celebration events among Chinese Americans in the great DC area, and it's a "must-attend" event for those who are interested in networking with key personnel in the Chinese biopharmaceutical industry. Each year, the Gala attracts hundreds of attendees, including CEOs of local and international biopharmaceutical companies, entrepreneurs, scientists, venture capitalists and investors, representatives from regional and federal government agencies, and officials from Chinese Embassy.

The 2009 CBA New Year's Gala will be held at Glenview Mansion, Rockville, Maryland. Cocktail drinks, appetizers, Chinese food buffet dinner, and a selection of desert will be served; entertainment will also be provided.
